“ So sad to hear of the passing of my Godmother. She was such a beautiful person. I will always remember her as a caring and gentle lady. She always remembered my birthday and never failed to send a Christmas card. To her sons and their families, may you be at peace with your memories for you were all truly blessed. May she Rest In Peace.
My husband Al shares in your grief also.
With love, Vicky Bott

“ Aunt Sue was very special to our family. She was like a 2nd Mom to me that I could share life with. We talked about everything including politics, family, health, and nothing was off limits. I will miss our conversations and lunch get togethers. I loved that she was an important part of my boy's lives since they were born. She was a strong, loving women who we will miss terribly.
