“ We are truly sorry for the loss of our dear Bonnie. She was one of the purest, kindest souls we were blessed to have in our lives. Always with a smile and a positive thought, even through her darkest days. The world is a better place because of her and we are changed people because of her influence. We were privileged to have been able to spend some time with her during these last few months and will always remember her positive attitude and courageous fight. Her love of life oozed from her and was contagious. We have been blessed. May she rest in Peace in the arms of Jesus.

“ I am truly saddened by the loss of Bonnie and I send my sincerest sympathies and prayers to her family and friends and especially to my dear cousin Freddie. Bonnie was a true light - she always beamed when I saw her and was always smiling. She was very close to God and you felt it when you she spoke to you. I know that she is safe in the arms of Jesus today - no longer in pain. She will be missed, but her memory and love will always be a part of those she touched.
