“ I spent many of my childhood days at the Orilia house. I remember Eileen loved going to church & enjoyed spending her summer days at the beach. She never minded taking us along & would allow us to play dress up in her attic with her fancy clothes. I will always remember her pretty smiling face & her ever endearing English accent. She will truly be missed. Our thoughts & prayers are with her family. Love, Karen & Marty Kenna

“ I have many fond memories of Eileen. She loved to tell me how when George would spend weekends with her family while on leave during WWII, her parents insisted on her older sister tagging along to supervise whenever they would go out on a date. I remember when my children were sick she came to visit & read to them. She taught me the proper way to make a cup of tea & made me swear to secrecy that she was 10 yrs older than me so no one would treat her like an old lady. One day, out for lunch, I knew she was dining in the same restaurant as I because, without seeing her, I recognized her English accent from across the room. Eileen was always so loving & kind. We will truly miss her. Our deepest condolences to the family. Love, Jean & Bill Dolci
