“ Gene, my dear friend you will be so missed. You were always there when I needed an ear or a hand. I'll never forget the time that you lifted my 500lb table like it was butter!! There are many things that I'll miss but I think that I'll miss our conversations about our families and especially our Dads!! I'll miss all of your name callings!! Calling my dad James Bond, and all the names that you would call me, son of bond, sugarfoot, baked chicken, chip mint, etc. We used to laugh so much together when referring to our significant others!! I remember when you dropped your new cell phone when we went boating and when you drove my moms car to Florida for me and brought me a bag of my favorite Biscottis from Amato's Bakery!!! I could go on and on!! To Lili, Gina, Gene's family and any employer that Gene worked for, you lost a good one. ☐

“ Eugene always had a passion for helping disabled Veterans and animals. Please remember that in lieu of flowers you can make donations to help disabled Veterans and the helpless animals in his honor. I will be doing this and I’m sure Eugene is saying Thank You Teetsiefly for doing this. Rest In Peace Eugene

“ Eugene and I met in 4th grade and together we were nothing but trouble, so much so we got assigned to Mr. Krauss the Pinepark Elementary Schools Janitor in 1964. We had to be at school an hour and a half early (6:30) to help Mr. Krauss set up for the day. From that day forward we became the best of friends and would spend holidays together, blowing stuff on July 4th to celebrating our Birthdays mine 4/20 his 5/12. His favorite was coming to my house on Christmas eve to play with the trains and enjoying the Company of my family and relatives. We always ventured out on our bikes or flying our kites. We would fly our kites as far as we could and then get on our bikes to see if we could find them. Eugene my Brother you will be so missed, I am still in shock over your passing and the fact we can no longer grow old together as the two goofballs we always were. I will miss the weekly phone calls and the many messages we sent back and forth since getting reunited by Laura. Until we meet again Rest in Peace.

“ Having a brother like Eugene Fata in your family was like going through life on a roller coaster ride, surprises all the way!
I looked forward to his Florida visits, always he had excitement in store; like visiting friends and family, going ot to special dinners or repairing his Florida home. I always felt proud to present my Teamster brother to others and bragged of his skills as a professional truck driver. Watching him maneuver his big truck was poetry in motion.

He will be greatly missed by me and I will cherish our time together always.

In loving memory your sister Catherine Fata

“ I'm one of Eugene's four sisters here in Florida. When we were kids until our last texting conversation when he was in the hospital he always called me Teetsiefly. He asked me to pray for him. I'm so saddened and shocked that we lost him at a young age. Eugene was going to retire as two of his sisters are finalizing our retirement plans. I would of loved to have spent some time in our golden years having some fun. You're with grandma now and I hope she's able to make you one of her famous hamburgers. I love you Eugene and heartbroken that you're gone. Until we meet again know that I love you. Your forever Teetsiefly.

Pauline Fata - May 06 at 08:36 AM

“ Eugene is my brother. I am the oldest of 3 other sisters. It has been extremely difficult to come to terms with his tragic passing. He was always so strong and healthy.
Eugene lived a life in service to others. I am finding out now how just how busy he was taking care of other people!
For me, he always knew how to turn any situation into a comedy routine. He always kept me laughing and when we were together I felt like no one else existed because he made everything so funny!
I will miss him for so many reasons. I can't believe, still, that he has left us.
We always ended our conversations with I love you.
So I love you Eugene. May you Rest In Peace.

LAURA EVERALL - May 06 at 07:40 AM

“ Eugene was my nephew and Godson.
Early in life he showed many signs of being exactly what he turned out to be.
As a toddler, he was always happy and giving, as a teen the same attributes followed, plus lots of reasons to believe ,he would be exceptionally talented, no matter the position he chose.
He could build a great kitchen from scratch ,install a heating system, even blow a mean bugle.
We will think of him often, as there are many things that bring back memories of him.
Gloria and I, loved and cherished him and will miss him dearly.

“ I was so blessed to have a friend like Gene. He was one of a kind he was cut from a different cloth a kind so giving man. He was my beat friend. I will always cherish our friendship. The moment I road tested him in the Postal Service I knew that was the start of a great friendship. Gene had a heart of gold & would help anybody who asked. Friends like Gene don't come around often in life, an I feel truly blessed to have been part of his life.
RIP

“ Dear Friends and Family of Eugene,

I am very saddened to hear of Eugene's passing. I was a neighbor and childhood friend from Brentwood. Eugene grew up behind my house and we would always play baseball, swap baseball cards or go fishing together in Bayshore with my other good friend Marty. Years go by and we lose touch, but through Facebook we managed to stay in contact from afar.

Eugene had a heart of gold, he was a good man and he will be missed. I won't forget him.

RIP my friend.
