“ I met Kenny in 1997. For 23 years he always made me feel like a family member. He knew I worked on Rikers and was a big fisherman and he always chatted with me about both, among many other topics. I was introduced to Kenny by my barber Bruno who also knew Kenny. Immediately Kenny showed me what a responsible, trustworthy, and professional man he was. A year later I did the same for him with a great Atlantic City story. Trust was established between the two of us. My entire family and my wife's family brought our cars to Kenny and he made everyone feel at ease by his work and his personality. I miss my friend very much and I love you Kenny. Father Curtin gave a beautiful homily and I know you enjoyed it too. My deepest condolences to the entire Guercio Family. You are all in my prayers as you will need them to heal your pain. Thanks for everything Kenny.

Peace,

“ Kenny Guercio was one of the nicest men I ever met, not just in the repair business, but anywhere. Ken went out of his way to help you all the time. When my daughter was in DC for a few years, he would call the repair shop she was using down there to help her out. It was always good to talk fishing or about family when you were in his shop, you never rushed out. He was kind, honest, and just a good man, I and my family will miss Ken very much, our prayers and thoughts go out to him and his family. Rest in Peace, Jerry Marcone, Islip.

“ Kenneth Guercio, or Simply "Guercio" was one of the nicest and most honest person I have ever met. My father had recommended him to me about 20 years ago when I was having a power steering issue with my Toyota 4Runner. I had taken it to three different places. Two power steering pumps and several hundred dollars in wasted repairs later I took it to Guercio. He found the problem right away, it was a \$10 switch that needed to be changed. From that moment on I have been a regular customer and a big promoter of Guercio amongst my friends and coworkers. I always enjoyed bringing my car to Guercio knowing that I would be talking to him as I waited. He touched the lives of so many people and will be surely missed. My heart felt condolences go out to his family and friends and I will continue to keep them all in my prayers. RIP Guercio and God Bless. Love Michael Florida

“ With Kenny I actually looked forward to getting oil changes. Picking the car up took a long time because we'd talk family, books, history, rock and roll, and whatever else came up. He was a good and wise man and he is sorely missed. He and all the Guercios are in my prayers.

“ We because good friends, I was also in the automotive industry. Kenny is one of the sharpest and honest people I know. Always willing to help. I believe he would give the shirt off his back to help someone.
I hope you are in a peaceful place.

“ After bringing my cars to Kenny's shop over the past 20 years, he, his sons and brother began to feel like family. I'd enjoy chatting Kenny him while waiting for repairs, and since he drew the nicest customers to his office, it was always such a pleasant experience. I'm so, so sorry to hear of his passing. My heart goes out to his friends and family, and I will keep them in my prayers.

“ I can't remember the last time I had spoken to Kenny. But looking back since hearing this terrible news, I can't shake the feeling like it just yesterday. I worked with Kenny and looked up to him like a big brother. My heart goes out to everyone who is feeling this loss. I will have your families in my thoughts and prayers to try and ease the pain. Kenny is with God now.

“ Mr. Guercio was always so nice to my children and I when we brought our cars in. Even after we moved out of Islip, we would still travel 30 miles back to his shop, no matter how big or small a job. One winter day, my house door closed as I was bringing in the mail and I was locked out of the house without my coat, phone, or keys. I walked to his shop because I knew he had all of our phone numbers in his computer, and he looked up their numbers and called my kids to come home and let me in. He was always so kind and thoughtful.

We are so sorry to hear the news of his passing. The family is in our hearts, our thoughts, and our prayers. He will be missed!

“ I was so sorry to hear that Kenny has passed away. I had brought my two Saturns to Kenny's shop since 2001 for oil changes, inspections and various other things that needed to be done. A few months ago, I called Kenny to let him know I hadn't forgotten him, but that I had bought a year-old lease car through my credit union, and it still has some time left on the warranty. Kenny always took good care of my cars; one of my sons had worked for him, for a while, back in the late 80's / early 90's before he moved to Arizona in 1995. I will miss him. My heartfelt condolences go out to his family and friends.
