

## Kenneth Vasti

March 20, 1945 - August 3, 2020

Kenneth Vasti, avid model train and car collector, LED light enthusiast and dashing handsome fellow passed away peacefully on August 3rd, 2020 at the age of 75. Unlike previous times, this is not a ploy to avoid unsolicited marketers trying to sell him something. Kenneth was born in the Bronx, NY to Alphonse and Marie Vasti. One of three children, Kenneth was of course dubbed "the favorite child" among his siblings, Ginny Vasti and Donald Vasti. Ken is also survived by his beloved wife of 33 years, Carmen Cervantes Vasti, stepson, Alfred Martin Cervantes, granddaughters, Emilee Cervantes and Amelia Cervantes and dear friend of 60 years, Fred Ward. Ken will be fondly remembered for his uncanny ability to maintain a budget despite his love for trinkets, researching and locating nearly obsolete car parts from all over the country, and lastly his love of Mountain Dew, which his family teasingly referred to as his Antifreeze. Ken was an all-around passionate man and was invariably loved by his family. Visitation for Kenneth will be held on Thursday, August 6th at the Robertaccio Funeral Home in Patchogue from 2-4 & 7-9 pm. A Funeral Mass will be celebrated at 9:30 am on Friday, August 7th at Our Lady of Mt. Carmel Church. Burial will take place at Holy Sepulchre Cemetery in Coram. Don't be late!

“ Kenny was one of the best. He was always extremely dedicated to whatever he was doing, and was very supportive, friendly, and kind. I attended many work meetings with him at TWC and he always made me feel positive about what we needed to accomplish. He would be quick to make the clients smile with a joke, and having him present meant I didn't need to worry about anything. He will always be remembered for making every moment around him a pleasant one, no matter what he may have been going through. Condolences to the family, which he spoke highly of and cared very much for. May he Rest In Peace. - Tony Gonzalez & family

“ Kenny was one of the sweetest kindest men we ever known. He and Carmen were so welcoming and kind to us from the first day we moved in across the street. He was always there to lend a helping hand with everything from fixing our lawn mower, snow blowing our driveway the first winter we lived in the house, helping us get our tree off the power lines during Hurricane Irene, to calling us at night to tell us we left our garage door open. He loved showing my family, especially Ben, his train and car collections, loved talking to Ben, and telling us all kinds of great stories. Ben will always have the special memory of the time Kenny so kindly arranged for “Santa” to make a very special personal visit to our house and gave him a very cool wooden airplane. Thank you for making our neighborhood brighter. You will be greatly missed. The Hansens

“ to carmen and family

i have known mr kenny vasti a brother and friend since 1988 when i joined the carpool from long island to mctv at the pier before moving to 21st street and later becoming time warner cable. kenny was the nicest, kindest gentleman ever met. he was a great story teller especially from the early days of mctv/sterling. kenny lived life with lots of love and friends. we shared one great passion and that model trains, although i never got mine off the ground, kenny was a different story. he invited us one time to his home and showed us his basement and what i saw was so amazing, he had built the nyc subway system or at least what seemed like it. it was grand and fascinating and the whole system worked. he had a car collection too. the passion he had was awesome. everytime he bought a car or train car, he would search me out before heading home for me to look at it. and they all were great. and the many times seeing him in the meter room calibrating all the wave-tek meters and the day he had at survey and design. thank you kenny for coming into my life and teaching me the ropes. we love you forever. rip my brother

“ Kenny was a good friend, coworker and advisor since I started working in TWC. I will always remember all the fun time we had together. In one of my birthdays, he had Carmen baked me a Barbie birthday cake. It was so gorgeous that I didn't want to cut it. Of course, in the end we were fighting to who would eat the back of the Barbie. LOL! Many times, he would share little stories of his experience with us. I had learned a lot from him. I will miss you. Rest in peace Kenny.

“ Dear Carmen and Family,

I met Kenny over 40 yrs ago at the cable company and we became good friends. We would talk and laugh at some of our stories that we encountered through the years. Also we would always keep in touch with each other even though we were 1200 miles from each other. Kenny was a very caring person and would help you if you needed help or advice. My brother Kenny and friend will be missed not only by me, but by everyone who knew him. May he rest peace.

Sincerely  
Raul, Iris and family
