

Krystal R. Clark

May 25, 1986 - July 19, 2020

Krystal Rose Clark, 34, passed away on July 19, 2020.

Krystal was a committed mother, a beloved daughter, sister and wife as well as an avid member of her community. Her love, patience and youthfulness defined her as a woman. Krystal's smile was contagious and she was always seeking to assist anyone in anyway she could. She was extremely family oriented, consistently seeking ways to bring everyone together on trips, outings and various activities that would create unforgettable memories and bring joy to everyone around her. She did not care what background or situation one came from, she did not judge and she did not think that she was better than anyone. Instead she would think about how she could help the people she came in contact with. Krystal was the kind of person that even if she didn't agree with you, she would still be the first person to go through any storm to come to your need at literally anytime or anyplace. Krystal was never out for an award or for any glory to her self. Even in the last few months she agreed that God gets all the glory for anything and anyone that He allowed her to assist that was put around her. The Bible says in Matthew 5:41- And whosoever shall compel thee to go a mile, go with him twain.

Krystal did exactly that, she would go the extra mile (if not 100 extra miles) just to help anyone and everyone. She never asked for anything in return and made an impact in more people's lives than she could ever imagine. Krystal began to learn more about God, accepted Jesus and was really trying to learn more about God. She was genuine, funny and would talk to you for hours about anything. She was truly one of a kind. I think I can speak for us all when I say that we wish we spent more time with her, that we miss her and that we want her to still be here with us; but still, I thank God for the time He allowed all of us to know her. Krystal will be deeply missed and forever remembered. I truly pray that God welcomes Krystal into His kingdom.

We thank God for everyone's prayers, love, thoughts and support. God bless you all.

“ So sorry about Krystal. My fondest memory with Krystal was years ago when my family and I took my mom to lunch at the Burger King in Patchogue only to find Krystal working there. She immediately came over to us and hugged Mom so hard I thought she would break. Then, the hugs went all around. She sat with us for a while and we all laughed and had a short but great visit. I will miss here smile and her kindness. RIP Krystal and Oliver.

“ Krystal, all I can say is I was shocked and saddened to hear of your passing. RIP! I will miss you everyday I walk the halls at Hawkins. We chatted, laughed, hugged, and helped each other at PTA events and in the morning waiting for the doors to open! I can't believe you are gone but always know you will NEVER be forgotten. Shine your bright light and your smile on us everyday from up above. I will be looking for it! <3

“ I did not know Krystal, but from what I have read and what I have been told, she sounds like an amazing person. Someone I wish I had gotten to meet. Julian, you are a kind and respectful man, who I am sure, made Krystal happy everyday. I'm so sorry the love you have for each other has changed. You will always be a part of each other. I am so sorry.

“ You lit up the room with your smile and bubbly personality. No matter what you were going through You were here for me at all hours when I felt like giving up, you were my support, I stayed up all night looking at my phone waiting for a text from you, thinking it would just all be a bad dream. But no matter how much I need you right now, Heaven needed you more and the more the thoughts and your face linger in my mind, and no matter how much I try to make sense of it I come to the conclusion that Heaven just needed a hero like you. You were Wonder women and will forever be in my eyes until we meet again my friend. I love you

“ Krystal and I made so many memories. We have had our ups and downs but she has always had a special place in my heart, and she always will. I was just chatting with her on Friday. She was such a beautiful person. She would literally give the shirt off her back to someone else in need. The world needs more people with a heart like hers. She will be so very missed. RIP beautiful angel.

“ my family is disabled and were using a landscaping company who stole all their money. I made a post in a group and Kystal saw it. She did not even know me, and offered her family to do my family's landscaping for free for the entire summer. Who does something like that? She did. and thats how she was. This is a huge loss. I will never forget her or her kindness.
