“ I am so sorry to hear of Uncle Mattie’s passing. Frank and I were so very happy he could celebrate our wedding and share in our happiness. My deepest condolences go out to all his loved ones. Now he is with my sweet mother in law Gertrude his sister and others in heaven. May he rest in eternal peace and bless his family forever

“ My deepest condolences to you Pat, and you Nicole. Hold tight to memories for comfort, lean on your friends and family for strength, and always remember how much you are loved. Matty loved the both of you dearly. The way you cared for him was remarkable. Never forget that he appreciated the both of you and knows just how incredible you are! Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts. Love you both very much. I want you to feel peace, there was no one in this world that could care for him more.

“ Matty - you were in my life for over 30 years. I still can't believe you're gone. I never thought this day would come. You were indestructible - you and I could beat anything and we did. I'm sorry I couldn't help you or save you one last time. It's killing me. I can not imagine my life without you. Without your laugh and eating dinners with mommy. Without you yelling "NICOLE!!!" when I pushed your buttons to drive you nuts. I don't know how to get through this right now but I know I have to - for mommy. The woman never cries and he she hasn't stopped since you passed. I hope Tami and Candy were waiting for you, and I'm sure Candy has already taken your sandwich from the table and another London broil. I miss you terribly.

“ Matty, so many wonderful memories of our favorite neighbor. From the first time I knocked on your door; carrying my Golden Puppy; asking if you also had a Golden. You invited me and my adorable but lively Golden into your home. We all laughed watching my crazy Misty run back and forth like a lunatic. Poor Tammy; thinking who is this out of control animal. That day started a great 12 year friendship with many great memories of us all spending many great times together. You were like Johnny's grandpa. My son always looked forward to going to your home to watch all the baseball and football games. Just like a grandpa, always having either hotdogs or hotwings for him. He loved spending time with Pat, Nicole and especially Tammy. Johnny, now 21 will have those great memories pressed in his heart. Thank you Matty for giving Johnny the grandpa he never had b/c my dad passed when he was only 2. Thank you from my heart for taking us to Williamsburg to see where my father lived as a young teen and even going inside his building. Then you took us to Coney Island and of course we had to have the hotdogs. Personable, sweet, caring and one big dog lover to let my Misty come in your home and run back and forth out of control while Tammy just lied there. Us cracking up, you asking, "does Misty ever yawn? due to her extreme energy. I am so happy you and your family attended Johnny's graduation. It meant a lot to him and I. So now Mattie, there's a great big void in our lives and we will miss you very much. A great friend you were. May you be happy and in peace forever. And if you see my dad, send him my best. You can't miss him; same Williamsburg Brooklyn accent, face and glasses.
