“ My dear brother you have left this material world and many are filled with sympathy and sadness. But only those who truly loved you and cared for you can understand the pain of this loss. Your years in Guyana may not have been filled with skyscrapers, fancy restaurants, and other luxuries of the world, but you were happy and at peace and you spent valuable time with family and those who truly cared for you. Of course, you made a journey to America, by the will of the Supreme Lord, Sri Krishna. He works in mysterious ways and sometimes He does things to show us exactly what is reality and what is false. You had promised that you would return to Guyana to visit me, but you never did. Again, Sri Krishna knows best. I will always remember our fond memories: our brother-sister love, our days spent together over the many years, your kindness and generosity, the scoldings I would give to you now and again, the laughter, and now the pain. I take comfort in the Lord's words that your soul is indestructible and pure. Now that you have left your material body, no pain, harm, hurt, and grief can touch you. This material world can be a cruel place but I am thankful that you have moved beyond it. I pray that Sri Krishna can bless your soul as it makes its journey to a better place. Ram Naam Satya Hai. Jai Sri Krishna.

“ we pass this way but once, so let's do all the good we can, to all the people we can as long as ever we can for we are not sure of passing this way again.

You are in heaven dear one: so happy and so bright

“ God have given us many stars to shine, many flowers to bloom, many friends to cherish, but only one more brother to remember.

All the pain and grief is over, every restless tossing passed. You are at peace forever, safely home in heaven at last rest my brother until we reach again. You are in heaven
