“ Today is the 1st year Anniversary since God took you home. My heart is still heavy And there is not a day that goes by that I don't think about you. I miss you so much! The only thing that comforts me is that God is holding you and you are with your Mom, Dad, brothers.... everyday you have a special place in my heart that will never leave me! I can hold you in my heart and have the memories we shared. Till I see you in heaven... I love you forever

“ It will almost be a year that God took you home. We all miss you so much and our hearts are still heavy and broken. Our only comfort is that we know you are in heaven and God is holding you . You might not be here with us , but you are with us in spirit all the time and that gives us comfort as well. We all love you so much Pete

“ My Cousin, my friend, closer than a brother. I won't stand at your grave and weep, for You are not there, you do not sleep. You are in a thousand winds that blow, You are the softly falling snow. You are the gentle showers of rain, You are the fields of ripening grain. You are in the morning hush, You're in the graceful rush Of beautiful birds in circling flight, You are the starshine of the night. You are in the flowers that bloom, You are in a quiet room. You are in the birds that sing, You are in each lovely thing. I do not stand at Your grave and cry, 'Cause You are not there. You did not die. Always alive, in Our heart of Hearts.
