“ My sincere condolences go out to Ruth’s family she will surely be missed here in Florida...we had the honor of being her cleaning girls, as she would call us, over 15 years, lol we always looked forward to the winter’s when Ruth would make her way down to Florida, it was such a fun time when we would go and clean her house, she would always have some kind of joke for us ..something that normally only took me and the crew an hour and a half to clean but We would be there 3 to 4 hours just chatting with her and her pet birds.... Ruth you will truly be missed from Kimberly, Brandy, Carolyn and Emily
