“ To Sam and Annette , Gloria , Gina and His Family, I am so Very Sorry To here about Sam and did not expect this.. When I think about Sam I think Dedicated family Man. He Loved Annette and His two Girls whole Heartedly. He would do what ever it took to provide for them and would not complain about it. I Will always Remember going over to visit and he would always make sure that you were comfortable and offer you Food and Something to Drink. Sam is the Definition of a Great Husband and Father ,He loved Life, his Home and His Entire extended Family and Friends. I will Miss Sam But will Treasure the Good times and Memories. I know that Sam will be watching over us Especially His Family. Again So Very Sorry to Annette , Gloria , Gina and His Entire Family and Friends. .My Prayers are with you. “ There are no adequate words that can describe the love, care, loyalty, devotion, fidelity, and earthiness of this man. I asked Annette, just prior to their wedding if Sam was prepared for the Cipriano's who express what is in our heart not on our sleeve on the whole shirt. I wondered if he could tolerate our humor as well as the over the top affection that we shared amongst one another. I wondered if he would enhance or diminish the loving kindness that his wife gave to all that she held near and dear to her. I was not disappointed over the subsequent years he himself embraced those characteristics that his wife displayed. It goes beyond a loss to those who know and love him; it becomes a void and it is a vacuum without his presence. We as a family have experienced the heavy burden of losses but those losses have prepared us for emphasizing the blessings that Sammy gave to us in his laughter, his warm heartedness, and his kindness. We should begin the hardest part of the process honoring him and keeping his manner in our minds and remember the joy that he gave us was in our hearts and in that way Sammy will never really be gone as long as we keep him in our hearts and our minds and speak of him. He will always be with us always be among us. We owe at least this much to him who gave so much. God bless you, Annette, Gloria, and Gina find comfort in knowing he will always be within the reach of a memory.

We Will Always Be Here For You

“ Uncle Sammy,

As you know the family we have is something so special, like no other! You, my Father and the other Uncles set the bar so high, us kids are so blessed for the morals and lessons you have invested in us.

I don't know why this happend. But I do know you are watching over us, just like you did every day! Those girls and our family were your world and I know that hasn't changed.

You didnt care what the "stereotype of a father" was suppose to be. You would bake cookies if the girls where in girl scouts, work 3 jobs for your girls school needed to be paid, cook dinner, clean up, yard work, any and everything for your family. Your love and commitment had no limits.

I'm so proud to be your nephew and I can't wait one day to make you proud of me. And I'm on the way Uncle Sam I promise. I can't wait to one day take everything You and my Father taught me and share it with my own.

I love you!
Your Nephew

“ Uncle Sam,

I am going to miss you so very much. I will miss our talks. You were always so understanding and compassionate. My best memories are with my family and you were a huge part of all of those wonderful memories. I had the privilege of being your niece and for that I am grateful. Your girls are my like my sisters and I promise to look after them. Things will truly never be the same without you. It's hard to believe you are no longer here with us in the physical world but I know you will be watching over us from a better place. You fought hard for two long months and now you can finally rest. I will cheer on your beloved NY rangers every game in honor of you. We lived under the same roof for many years and you always treated me like your third daughter. I will hold nothing but the fondest memories of you until we meet again. Love you my "sassy".

“ Sambo,

We all love you and will miss you so Much! You will always be an inspiration to all of us.

But, I just have a little bone to pick with you, You have one heck of a nerve leaving us behind here while you're upstairs having a Grand Old Time with my Mother & Father and the rest of our family!!! And the rest of us are stuck down here in this wonderful place!!! Haha, I guess the jokes on us?

Just remember when I get up there I'll be looking for you... and I promise! I mean I really promise... I will rip those angel wings right off you!!! Don't even think I won't do it! I will take your halo and throw it like a frisbee! Okay! Just Kidding! Sam in my eyes you truly were an "Angel" here on earth...You lived your life by a moral code that set the bar so high that most people could never reach. I am truly proud and admire the person you were and I will forever be missing a part of me until we meet again when I can refill it.

I LOVE YOU, MY BROTHER!!!

“ Annette, Gloria and Gina - sending love and sympathies and praying that you get through this difficult time. Sammy touched so many lives in so many ways and while I fear his passing left a hole in our hearts that will never heal, our comfort is in our memories. So many good ones and knowing how much he loved his girls will ease our troubled hearts. Love you Sammy - LGM LGR - my brother.

“ Words seem very hard to express the sadness I feel about Sam passing. Staying in Prayer will bring some comfort through this difficult time. Know that I am here Marino family to support you in your grieving process. May God wrap His loving arms.. around all of you, and embrace your hearts with His healing power to get you through this very hard time you are facing in your life right now. “ Sammy, you are missed by so many. You were such a devoted husband, a proud, loving father and a true family man and friend. You left us too soon, but we have to trust that God has a better plan for you. You were a beautiful person Sam, and that beauty shows everyday in the wonderful girls you and Annette raised together. Rest in peace knowing that we will be there for Gloria and Gina; even if that means having to root for the Rangers and Mets, Sorry Sammy, I couldn't help myself :) Love you Sammy, Manny and Alicia and family
